

Waverly Police Department

**Annual Report
2015-2016**

THE WAVERLY POLICE DEPARTMENT

Letter from the Chief of Police:

TO: Mayor Charles Infelt
Members of the Waverly City Council
Citizens of the City of Waverly

On behalf of the members of the Waverly Police Department, I am pleased to share with you the Waverly Police Department's 2015-2016 Annual Report. This report reflects the hard work, outstanding accomplishments and professional services provided by the men and women of this agency.

A police officer is a professional law enforcement agent, sworn to fulfill the overall purpose of the Waverly Police Department and to provide specific police services as assigned. Law Enforcement is a profession that protects the people and property of the community; that educates, assists and guides the public; and that enforces the laws and ordinances of the community equitably for all the citizens. This profession requires personal honor and devotion to service for the well-being of the people in the community. This year's theme for the Waverly Police Department is:

"Honor & Integrity IS the Strongest Shield"

Police officers must have integrity in all we say and do. As Waverly Police Officers, integrity is our standard. We are proud of our profession and will conduct ourselves in a manner that merits the respect of all people. We will demonstrate honest, ethical behavior in all our interactions. These are not just slogans as our actions will match our words.

This annual report is a small reflection of what your police department's activities were and what services were provided to the community. You will find statistics, charts and lists that sum up the department's activities and accomplishments. However, many of the most important things we accomplish cannot be expressed in a diagram or a list. This report also gives me the opportunity to publicly express my gratitude to the Officers and employees of the Waverly Police Department for their hard work and dedication to the residents of Waverly.

If you have any questions after reviewing the annual report please contact the Waverly Police Department's office or me personally. Thank you for your continued support.

Respectfully submitted,

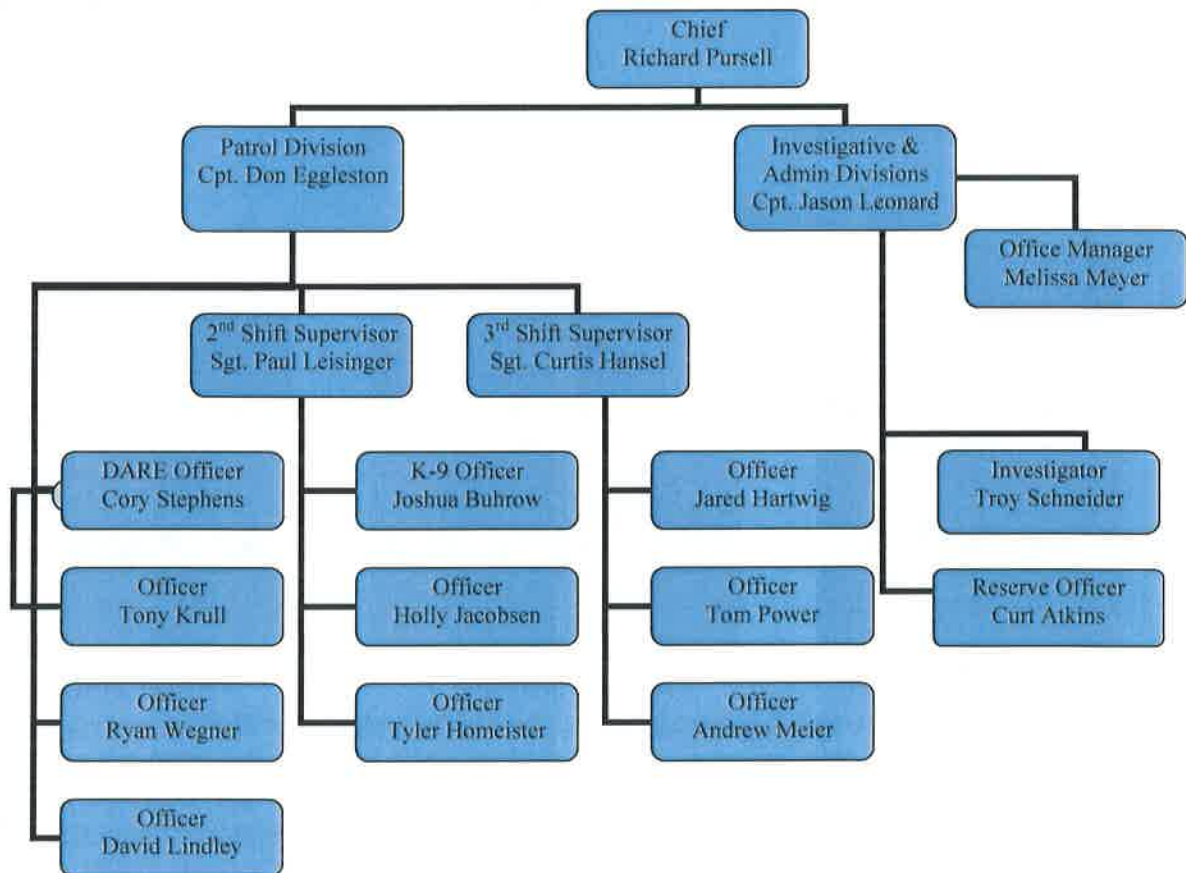

Richard Pursell
Chief of Police

THE WAVERLY POLICE DEPARTMENT

Mission Statement:

The Waverly Police Department is a service oriented, public safety organization that is dedicated to serving the citizens of Waverly through the maintenance of order, preservation of civil rights and the impartial enforcement of laws. The Department will accomplish these mandates by requiring the highest professional standards of its officers while maintaining constant vigilance in order to balance its legislated powers with its constitutional responsibilities.

Organizational Chart:

*Waverly has 16 officers which is 1.6 officers per 1,000 residents. The State of Iowa average is between 1.7 to 1.8 officers per 1,000 citizens, depending on sources. Waverly is below the state average since those numbers are indicating Waverly would have 17 or 18 officers.

Letters of Commendation/Appreciation:

Sergeant Leisinger

Officer Jacobsen

Officer Homeister

On January 4, 2016 Sgt. Leisinger, Officer Jacobsen, and Officer Homeister responded to a suicidal subject with a weapon. The subject stated he had a loaded handgun and officers learned he was located inside a residence with two kids. Sgt. Leisinger, Officer Jacobsen, and Officer Homeister's quick response to the scene enabled them to establish a perimeter and assess the situation as quickly as possible. The Waverly Police Officers were able to calm the situation and begin communication with the subject. The officer's training and professionalism helped prevent the subject from hurting himself or the kids. By communicating with the subject the officers were able to de-escalate the scene and transport the subject to the hospital for services.

Training:

Training of personnel is an important part of the ongoing professional development of the officers with the Waverly Police Department. There is a lot of training that is required for the officers to maintain their certification as peace officers. Some of this training includes the Iowa Law Enforcement Emergency Care Provider (ILEECP) and weapons qualification. Scheduling any training is difficult with three shifts and twenty four hour coverage. As a result we are limited as a department to incorporate additional training outside the scope of "required" training, but an expressed effort is made annually to increase this training without adversely affecting the budget.

During the 2014-2015 year the Waverly Police Department logged 1,246 hours of training. Below is a list of some of the training the Waverly Police Department attended.

Drug Take Back Day:

The Waverly Police Department, in partnership with the Drug Enforcement Administration (DEA), has taken an active role in the prescription drug “Take Back” program. In 2015-2016 there were two national dates established where citizens could drop off their unwanted medications. Officers were on hand at the site to assist and answer any questions that may arise. These drugs were then properly disposed of thus protecting the environment and eliminating the risk of abuse or target for potential thefts. The Waverly Police Department continues their commitment to this program every day by providing a prescription drop box at the Law Enforcement Center.

THE WAVERLY POLICE DEPARTMENT

Bicycle Safety:

The Waverly Police Department works with the Waverly-Shell Rock School District to

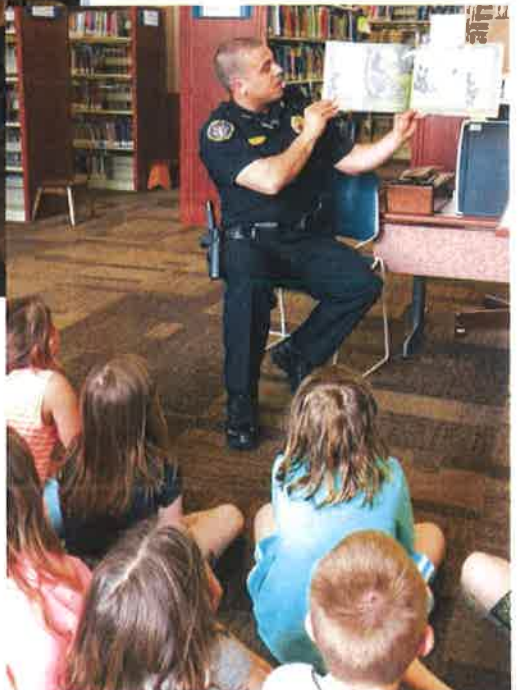

help teach young riders how to maneuver safely and instills the importance of bicycle safety equipment. To help emphasize the importance of safety equipment, the Waverly Police Department also partnered with Dairy Queen and Unity Point Rohlfs Memorial Clinic in order

to hand out “tickets” to young bicyclists that are seen wearing their helmets in town. Each “ticket” earns them a free treat at the Dairy Queen in Waverly.

Celebrity Reader:

The Waverly Police Officers help out whenever the Waverly Public Library calls to assist with their Celebrity Reader program. The Celebrity Reader program is sponsored by the Friends of Waverly Public Library. Hy-Vee provided a tootsie pop treat for each student. The Officers not only read to the kids at the library, but also at many elementary schools and day cares.

THE WAVERLY POLICE DEPARTMENT

Citizen's Police Academy

The Waverly Police Department held the 6th annual Citizens Police Academy from February 11th – April 14th, 2016. This 10 week academy is used for providing citizens a better understanding of police functions, how policies are developed, the decision making process, and what an officer experiences on a day to day basis.

Sessions are interactive and participants take part in a variety of demonstrations, presentations, lectures, and field trips. Class members participated in a three hour ride-along time with a patrol officer to see police work first-hand and close-up. Classes included topics such as 911 Dispatching and Communications; Patrol Operations; OWI Enforcement Procedures; Jail and Booking; Defensive Tactics and Chemical Munitions; Firearms; Criminal Investigations; Search Warrants; Meth Labs; D.A.R.E.; Public Relations Programs; Active Shooter; Canine; Police Training Officer Procedures; and Legal Section.

The Waverly Police Department is equipped with TASER's (TASER is a brand of a Conducted Electrical Weapon), to provide the officers with another less than lethal option. During the Citizens Police Academy two citizens volunteered to have the TASER deployed on them. Along with every officer on the Waverly Police Department, they got to experience what it would feel like if an officer would have to use a TASER in the field.

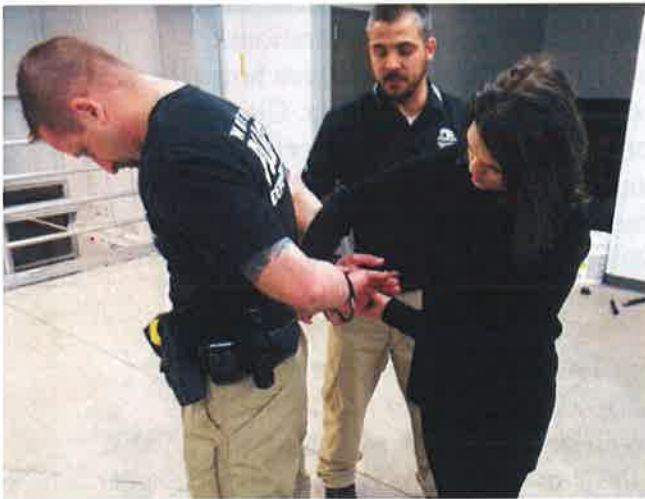

THE WAVERLY POLICE DEPARTMENT

During the graduation it was evident that even though 10 weeks was a long time commitment for everybody involved, everyone was a little sad to see it come to an end. One of the objectives of the Citizens Police Academy was to provide and offer something to the citizens and there was no doubt the Waverly Officers learned as much from the participants. The participants provided valuable insight into

citizens concerns and perceptions about the police department. This academy allowed an open forum for everyone to discuss any topic and the police department gave the participants a rare look at what is behind the badge.

THE WAVERLY POLICE DEPARTMENT

D.A.R.E.:

The Waverly Police Department and the Waverly-Shell Rock School District is celebrating 24 years of D.A.R.E. within the community of Waverly. The Waverly Police Department and the Waverly-Shell Rock Community School District became involved with D.A.R.E. in 1991. D.A.R.E. (Drug Abuse Resistance Education) was founded by Chief Daryl F. Gates (Chief of Police for Los Angeles, CA) in 1983.

The Waverly Police Department is pleased to report this was another successful year for the D.A.R.E. program in Waverly. The highly acclaimed program gives kids the skills they need to avoid involvement in drugs, gangs, and violence. D.A.R.E. has proven so

successful that it is now being implemented in 75 percent of our nation's school districts and in more than 43 countries around the world. Officer Cory Stephens leads the classroom lessons that

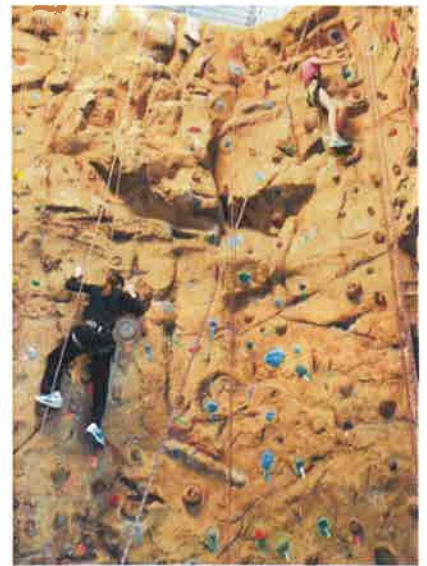

teach children how to resist peer pressure and live productive drug and violence-free lives. Graduates were able to enjoy pizza prior to heading off to participate in

recreational activities at The "W" on Wartburg College. A special "thank you"

goes out to the many sponsors that continue to help make this program possible. These sponsors helped with supplies, prizes, and food.

The Waverly Police Department continues to feel D.A.R.E. is an important link between the schools, children, parents, and police.

THE WAVERLY POLICE DEPARTMENT

National Night Out:

The Waverly Police Department and the community of Waverly participated in the “32nd Annual National Night Out” crime and drug prevention event. National Night Out, which was hosted by the Waverly Police Department, involved over 15,000 communities worldwide. In all, over 37 million people participated in

“America’s Night Out Against Crime”.

National Night Out is designed to: (1) Heighten crime and drug prevention awareness; (2) Generate support and participation in local anticrime efforts; (3) Strengthen neighborhood spirit and police-community partnership; and (4) Send a message to criminals letting them know

neighborhoods are organized and fighting back.

Residents were encouraged to lock their doors, turn on an outside light and spend the evening with neighbors and police in Kohlman Park in Waverly.

Activities included free inflatable games, entertainment, food and information for everyone’s enjoyment. Thank you to all the sponsors who made this evening possible. A special thank you goes to Hy-Vee Food Stores for contributing over 500 hotdogs, buns and condiments.

Chief Richard Pursell said, “This is a night out for the City of Waverly to stand together to promote awareness, safety and neighborhood unity. Police-community partnership and citizen involvement is vital to build a safer Waverly.”

THE WAVERLY POLICE DEPARTMENT

Shop with a Cop:

The Waverly Police Department started partnering with Wal-Mart in 2010 to offer “Shop with a Cop”. This program has allowed 64 kids from Waverly to shop with a Waverly Officer and to receive presents to help make it a special Christmas for everyone. This program enables officers to share a little Christmas cheer as well as getting to know some of the most energetic citizens of the

community. The positive interaction between the officers and kids last a lifetime.

Lunch with the Law:

The Waverly Police Department started “Lunch with the Law” in 2007 and has continued offering this important and popular program since the inception. This relationship between the Waverly – Shell Rock School District and the Waverly Police Department has allowed an officer to attend lunches in each of the elementary schools within the school district. The program has been expanded from eating with the elementary kids to providing a program prior to lunch. These programs include such topics as Adult Safety (formally known as stranger/danger) and internet safety.

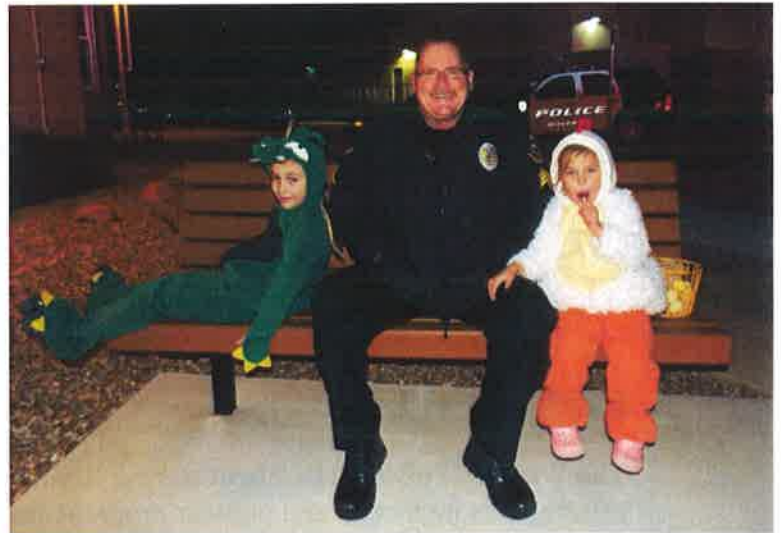

Waverly-Shell Rock Teacher, *“What a sense of safety you can bring our children because you know them and that will help them to feel safe, even when they are in a situation where another officer may be present instead of you. What an asset you are to us! Thank you”!*

THE WAVERLY POLICE DEPARTMENT

Community Builders:

Each year the Waverly Police Department joins Wartburg College, Waverly-Shell Rock Middle School, St. Paul's and adult volunteers from the local area for Community Builders. This program is focused on discussions and activities pertaining to service-learning and civic responsibility. This year the Community Builders helped the Waverly Police Department package items to hand out during the Jack-O-Lantern Night in downtown Waverly.

THE WAVERLY POLICE DEPARTMENT

Family Fun Fair:

The Waverly Police Department started Child Safety Day in 2006 and joined a group effort of other agencies in Bremer County in 2008 to have a Family Fun Fair.

The Waverly Police Department provided Identification Fingerprint Cards and assisted parents filling those out so they can maintain them for their records. Parents and children learned about the dangers of drugs and alcohol. Special goggles were used to simulate what it is like to walk and

drive under the influence of drugs and alcohol. Participants were able to “walk the line” to

experience first-hand how difficult it is to function while impaired. Tattoos as well as information pamphlets were handed out. Officer Buhrow held some K-9 demonstrations highlighting their skills in finding narcotics. The Waverly Police Officers present volunteered their off duty time to help make this a great event for everyone involved. Organizers stated there were approximately four hundred people that came and enjoyed the event.

THE WAVERLY POLICE DEPARTMENT

A.L.I.C.E. Instruction

The Waverly Police Department has several officers instructor certified in A.L.I.C.E. training. A.L.I.C.E. is an abbreviation for: Alert, Lockdown, Inform, Counter,

Evacuate. Waverly Police Officer led classes provide preparation and a plan for individuals and organizations on how to more proactively handle the threat of an aggressive intruder or active shooter event. Whether it is an attack by an individual person or by an international group of professionals intent on conveying a political

message through violence, A.L.I.C.E. Training option based tactics have become the accepted response, versus the traditional “lockdown only” approach. The Waverly Police Department offers this training to the community at no expense.

Joint Training Exercises

The Waverly Police Department conducts training exercises and scenarios with different organizations throughout the year. This year the Waverly Police Department joined the Waverly Health Center in a training exercise. The training

exercise started with an active shooter situation that required the police department and hospital to follow their established procedures. Joint training exercises like this are very important in providing the best services to the community.

THE WAVERLY POLICE DEPARTMENT

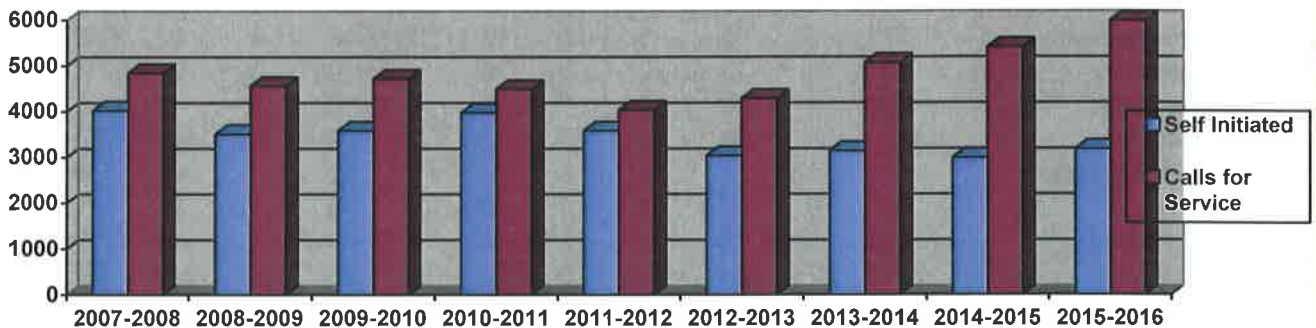

Reported Calls are those calls funneled through the Law Enforcement Communications Center. These calls could be from a walk-in, phone call, initiated by officers or dispatched calls to the department.

Calls for Service are those calls that required documentation for future reference.

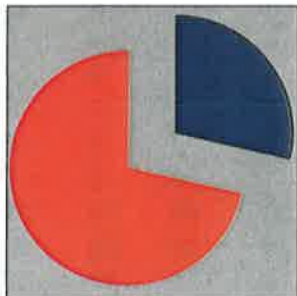

Self-Initiated Calls are those actions of the officers when they issue citations, warnings and parking tickets.

These categories only reflect the activity of the officers and do not include the day to day operations of the police department administration.

During 2015-16 the Waverly Police Department logged 8,984 Reported Calls. The average time per call, for 2015-16, was 38 minutes per call. The officers were “on scene” or out of service on a reported call for 289,064 minutes or 4,818 hours. Once cleared from the scene, each of the reported calls may take anywhere from 15 minutes, several hours or days to complete depending on the required follow up and paperwork.

Not every reported call or call for service results in an arrest or prepared report. During 2015-2016 there were 5,982 Calls for Service and 3,185 Self-Initiated Calls.

The Waverly Police Department continues its efforts to enforce our traffic laws through education and citation. Our goal is to decrease traffic violations and accidents to protect all citizens. Our agency is fair and impartial in our education/enforcement efforts. Contrary to public perception about all law enforcement, our officers are fair and take pride in their enforcement efforts and understand that many times education by communication and a warning may go further than a citation. In 2015-2016, 72% of all traffic stops resulted in a written warning. This does not represent the

number of verbal warnings that were issued during the same time period.

Uniform Crime Report:

Uniform Crime Reports are those calls for service that were serious enough for our officers to prepare a Uniform Crime Report (UCR). The UCR report is a nation wide reporting program facilitated by the Federal Bureau of Investigation. The FBI is tasked with collecting, publishing and archiving these crimes. UCR reports are broken down into group A and group B offenses. Generally speaking group A offenses are more serious while group B offenses are less serious or more difficult to classify.
