PRAIRIE PARK is located North of Tumbleweed Drive NE, accessible by a grassway from the East at Wild Rose Lane or West at Thistle Lane. It is a lovely little park enjoyed by the neighborhood, yet open to all. The Park features a play unit and swings. In addition, a new shelter house and basketball/pickleball court was installed in 2020. Along the North edge of the park is a beautiful prairie area that City staff is restoring. This park may be a little off the beaten path, but it's definitely worth a visit.

Meet Tara Winter...

Tara Winter is the Executive Director of Admissions and the Head Cheer Coach at Wartburg College. She has served on the Leisure Services Commission since 2017.

Her husband Chris, is the head football coach at Wartburg, so each fall is spent cheering on the Knights! She is currently working on her Master of Arts in Leadership through Wartburg, and likes to spend her free time baking or being outside with her family. Their daughter, Emmry, is in 6th grade, and son, Maddox, is in first grade. Their summers are spent playing softball and baseball, so they are thrilled to see Cedar River Park nearing completion. Their family particularly loves spending time on the trail, golfing and exploring Cedar Bend Park. As a resident of Waverly for nearly 20 years she has really enjoyed being a part of conversations and decisions that make our City an amazing place to live, work, and play. Tara loves to see ideas evolve and watch projects that have been talked about come to fruition, knowing she was able to contribute. Thank you Tara for your continued service to the Leisure Services Commission!
