	City & State:	Cell #
Building(s) to be Demolished (Dwelling, Garage, etc):		Size of Building: (Total S.F.)
Anticipated Demolition Date:		
Material Disposal Site(s):		
<p>Reminders:</p> <ul style="list-style-type: none"> Water and sewer services would need to be capped at the main unless otherwise approved. An Excavation Permit is required through Public Works. This will require an inspection from the Engineering Department. Prior to covering up work, an assessment of the material and condition of water and sewer service lines must take place – contact Engineering to arrange for said inspections. Examples such as: galvanized water services, orangeburg pipe and sewer services that are outdated <u>must</u> be replaced/abandoned. A separate building application is required for new construction on the property. 		
Type of Backfill Material(s) (Topsoil, clay, etc.):	Office Use Only	
Source(s) of Backfill Material:	Permit Fee: \$	Permit #:
	Date Paid:	Cash or Check #:
<p align="center"><u>Notice</u></p> <p>Separate permits are required for excavation in the City of Waverly's right of way and replacement of sidewalk, curb & gutter, or driveway.</p> <p>This permit becomes null and void if work authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after the work is commenced.</p> <p>I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be compiled with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.</p>	Approved by Zoning Administrator: _____ Date	
	Approved by Public Works Director: _____ Date	
	Notes/Comments:	
Signature of Owner or Authorized Agent	Date
