Site Plan:

A diagram showing a square with the letter 'N' in the center. Four arrows point outwards from the square towards the top, bottom, left, and right. Below the square is a rectangular box containing the text 'CIRCLE NORTH DIRECTION'.

**Note: All of these items must be shown on above site plan:**

1. Draw all property lines with lot measurements
2. Include a sketch of the existing house with dimensions
3. Show all proposed fencing with length dimensions
4. Include the location of any electric meters (need to provide for gate access if enclosing).
5. Mark any known easements.
