ATTEND AND PARTICIPATE IN THIS MEETING**

# **-The City of Waverly Hazard Mitigation Planning Committee-**

## **Public Meeting Notice**

The City of Waverly is continuing the planning process for the revision of their Local Hazard Mitigation Plan. The plan considers the city's susceptibleness to potential and historical impacts of natural and man-made hazards. The intent of the plan is to identify mitigation strategies that can be implemented to reduce negative effects caused by these hazards. In addition, with this plan in place the city will remain eligible for federal hazard mitigation grant programs.

The City of Waverly believes you may be able to contribute to the planning process. A series of meetings will be held to gather public input in relation to historic, ongoing, and future mitigation efforts made by the city.

If you are unable to attend this third meeting please feel free to send written comments or questions to the Iowa Northland Regional Council of Governments at 229 East Park Avenue, Waterloo, IA 50703, Attn: Adam or you may call (319) 235-0311. Please encourage others to attend these meetings. Public input is a vital aspect of the planning process. You will be notified of future meetings as they are scheduled.

The third meeting for the City of Waverly's Hazard Mitigation Planning Committee will occur at the following (agenda attached):

**DATE: October 7, 2008**  
**TIME: 7:00 P.M.**  
**PLACE: Civic Center/City Hall**  
**200 First St. NE**  
**Waverly, IA 50677**

**THIS IS A PUBLIC MEETING.**

**ALL MEMBERS OF THE PUBLIC ARE ENCOURAGED  
TO ATTEND THIS MEETING.**

September 22, 2008

TO: Waverly HMP Stakeholder  
FROM: Adam Roberts, Housing Planner, INRCOG

**Subject: The City of Waverly Hazard Mitigation Committee**

This letter is to inform you of upcoming meetings for the City of Waverly's Hazard Mitigation Planning Committee. This plan needs to be revised in order to comply with federal requirements. The plan will allow the city to remain eligible for several mitigation programs offered by the Federal Emergency Management Agency (FEMA). In addition, the plan will provide the city with mitigation strategies to reduce negative impacts of reoccurring hazards.

We anticipate there will be four to five meetings, most of which will occur before the end of January. Upon completion of the planning sessions a draft of the plan will be submitted to the Iowa Emergency Management Division. More specifics regarding requirements will be explained at the third meeting.

At the third meeting we review material discussed in meeting #2, determine goals and objectives, discuss potential mitigation activities, and decide on the next meeting date. An agenda has been included for your review.

Thank you for your time and cooperation. If you should have any questions or concerns, please feel free to contact me at (319)235-0311. If you prefer email, my address is [aroberts@inrcog.org](mailto:aroberts@inrcog.org)

Sincerely,

Adam Roberts

**WAVERLY HAZARD MITIGATION MEETING #3**

The Federal Emergency Management Agency (FEMA) recently awarded the City of Waverly a Hazard Mitigation Planning Grant. Funds will be used to revise the current Hazard Mitigation Plan, which was adopted in 2003. The purpose of the plan is two fold. The plan is a federal requisite to remain eligible for other mitigation grant programs offered by FEMA. FEMA mandates the plan be updated every five years. Second, the plan is designed to create hazard mitigation strategies which can reduce negative impacts caused by natural and man-made hazards within the city.

At the third meeting we review material discussed in meeting #2, determine goals and objectives, discuss potential mitigation activities, and decide on the next meeting date. The third meeting will be at 7:00 p.m. on October 7, 2008 in the Civic Center/City Hall, 200 First St. NE, Waverly, Iowa 50677.

If you have any questions, please feel free to contact Adam at INRCOG, (319)235-0311 or Waverly City Clerk Jo Ellen Rapp, 319-352-9211. Any citizens interested in expressing comments through a stakeholder, please contact Marty Parry, 319-939-6502.

### **Waverly County HMP Planning Session #3**

200 First Street NE

Waverly, IA 50677

Minutes

October 7, 2008

The third session of the Waverly Hazard Mitigation Plan was called to order by INRCOG Planning Director Brian Schoon at 7:00 p.m.

Hazard Mitigation Task Force members in attendance included: Luvina Hoins, Susan Cornforth, Chris Triplitt, Steve Egli, Jeff Soash, Dan Kittle, Deb Turnball, Mary Meyer, Tracy Rucker, Marty Parry, Penni Pier, and Kris Brunkhorst.

City and county officials in attendance included: Council members Gene Lieb and Duane Liddle, City Employee Ben Kohout, Chief of Police Richard Pursell, City Administrator Dick Crayne, City Engineer Mike Cherry, and Bremer County EMA Kip Ladage.

Also in attendance were Brian Schoon and Adam Roberts both INRCOG representatives.

Brian Schoon opened the meeting with an introduction of the Waverly HMP task force committee. He asked the taskforce to review and then approve Hazard Mitigation Planning Session minutes from September 16, 2008. A motion to approve the minutes was made and seconded. Schoon then provided a brief overview of the meeting's tentative agenda.

Schoon introduced a set of sample goals and objectives to the committee. He informed the committee we would revisit the goals and objectives established in the 2003 plan after each hazard was reviewed.

Schoon then explained the purpose of hazard mitigation and began reviewing flood mitigation strategies laid out in the 2003 Hazard Mitigation Plan. Meeting three was focused solely on flood mitigation. He reviewed each mitigation strategy and asked committee members to comment on which mitigation strategies they felt were applicable and which needed to be revised, added or excluded. Committee members made a number of comments on the provided strategies. Task force members also suggested an assortment of new strategies that could be implemented in the city. Approximately seventeen flood mitigation strategies were identified. Schoon suggested this would be a good place to stop and pick up at the next meeting. Schoon asked the committee to think about strategies for the next twelve hazards and bring them to the next meeting.

Committee members suggested preparing a brief update to be presented at the upcoming council meeting on October 20, 2008. Steve Egli and Chris Triplitt volunteered to present the update. The taskforce felt it was important for the community at large to have an understanding of the committee's purpose and where the plan stood after three mitigation planning sessions. The committee also asked for a press release providing an update and the names of the taskforce members to be published. Roberts informed the committee he would prepare a press release and have it published.

The fourth meeting was scheduled for Tuesday, October 21, 2008 at 6:30 p.m.

The meeting was adjourned at 9:00 p.m.

Respectfully Submitted,

Adam Roberts  
Housing Planner

**WAVERLY HAZARD MITIGATION UPDATE**

The Federal Emergency Management Agency (FEMA) recently awarded the City of Waverly a Hazard Mitigation Planning Grant. Funds are being used to revise the current Hazard Mitigation Plan, which was adopted in 2003. The purpose of the plan is two fold. The plan is a federal requisite to remain eligible for other mitigation grant programs offered by FEMA. FEMA mandates the plan be updated every five years. Second, the plan is designed to create hazard mitigation strategies which can reduce negative impacts caused by natural and man-made hazards within the city.

Since September sixteen appointed stakeholders have been participating in the planning process. Committee members were appointed by the city council to participate in these sessions. Task force members include: Deb Turnball, Mary Meyer, Tracy Rucker, Marty Parry, Betsy Morrison, Gary Burke, Luvina Hoins, Dennis Dickman, Chris Triplitt, Jeff Soash, Linda Schrage, Dan Kittle, Susan Cornforth, Penni Pier, Steve Egli, Kris Brunkhorst, and Jim Carpenter. Council members Gary Boorum and Duane Liddle are acting liaisons throughout the planning process. Kip Ladage Bremer County EMA, Richard Pursell Waverly Police, and Ben Kohout City of Waverly have also been engaged in the plan. City Manager Dick Crayne and Public Works Director Mike Cherry have provided consultation during the meetings.

As of October 7<sup>th</sup> there have been three Hazard Mitigation planning sessions. The Iowa Northland Regional Council of Governments (INRCOG), acting as the facilitating entity expects two to three more meetings will be held over the next two months. The taskforce suspects the official plan will be submitted, approved and adopted before or shortly after the first of the year. Taskforce members will be reporting on the current status of the plan at the city council meeting on October 20, 2008. All citizens are welcome to attend and encouraged to address any concerns or ideas to the taskforce members, council or city staff regarding the Hazard Mitigation Plan at this time. The next planning session will be held on October 21, 2008 at 6:30 pm. This meeting is open to the public.

If you have any questions, please feel free to contact Adam at INRCOG, (319)235-0311 or Waverly City Clerk Jo Ellen Rapp, 319-352-9211.

## **Waverly County HMP Planning Session #4**

200 First Street NE

Waverly, IA 50677

Minutes

October 21, 2008

The fourth session of the Waverly Hazard Mitigation Plan was called to order by INRCOG Planning Director Brian Schoon at 6:30 p.m.

Hazard Mitigation Task Force members in attendance included: Luvina Hoins, Susan Cornforth, Chris Triplitt, Steve Egli, Gary Burke, Linda Schrage, Dan Kittle, Deb Turnball, Mary Meyer, Ned Rucker, Marty Parry, Penni Pier, Betsy Morrison, and Kris Brunkhorst.

City and county officials in attendance included: Council members Gene Lieb, Chief of Police Richard Pursell, City Administrator Dick Crayne, City Engineer Mike Cherry, and Bremer County EMA Kip Ladage.

Also in attendance were Brian Schoon and Adam Roberts both INRCOG representatives.

Adam Roberts opened the meeting by briefing the committee on an update provided at the October 6<sup>th</sup> City Council Meeting by Steve Egli and Chris Triplett. Discussion then followed in relation to the purpose and roll of the task force. Task force members expressed interest in being involved in long term hazard mitigation planning with city staff and elected officials. Roberts and Schoon suggested creating a planning document, which could be included in the Hazard Mitigation Plan. The planning document would outline a methodology for including the task force in the planning process.

Brian Schoon followed with an introduction of the Waverly HMP task force committee. He asked the taskforce to review and then approve Hazard Mitigation Planning Session minutes from October 7, 2008. A motion to approve the minutes was made and seconded. Schoon then provided a brief overview of the meeting's tentative agenda.

Schoon then reviewed the purpose of hazard mitigation and began reviewing mitigation strategies laid out in the 2003 Hazard Mitigation Plan. Meeting four covered six hazards, including: thunder storm, disease, winter storm, tornado/high wind event, fire, transportation and communication failure . He reviewed each mitigation strategy and asked committee members to comment on which mitigation strategies they felt were applicable and which needed to be revised, added or excluded. Committee members made a number of comments on the provided strategies. Task force members also suggested an assortment of new strategies that could be implemented in the city. Schoon suggested this would be a good place to stop and pick up at the next meeting. Schoon asked the committee to think about strategies for the next twelve hazards and bring them to the next meeting.

The fifth meeting was scheduled for Tuesday, November 11, 2008 at 6:30 p.m.

The meeting was adjourned at 9:00 p.m.

Respectfully Submitted,

Adam Roberts  
Housing Planner
