Sheriff Pickett reported some issues that are developing with a few thermostats. There were two thermostats that recently failed and there is only one company that makes the currently wired thermostats. There was a concern from the heating serviceman that they might not be able to get them in the future and to replace with another brand we would have to rewire everything. After discussion the board requested Sheriff Pickett to check if there is a wireless system that could possibly work and report back to them at the next meeting.

Sheriff Pickett presented a list of monthly bills. **Mr. Kammeyer moved to pay as presented, 2nd by Mr. Reznicek. All ayes; motion carried.**

Chairman Neil set the next meeting for March 9, 2015 at 0900.

Mr. Kammeyer moved to adjourn. Carried..

Respectfully,

Dan Pickett
