W-SR Science Club Tree Sale

It is once again time for the annual Waverly-Shell Rock Science Club Tree Sale sponsored by Waverly Trees Forever, Waverly Utilities, and the W-SR Science Club. The tree sale features 14 different varieties of trees including: American Beech, Heritage Oak, Hackberry, Silver Linden, Summer Red Maple, American Larch, Red Cedar, Serbian Spruce, Pagoda Dogwood, Prairie Fire Crab, Royal Star Magnolia, Luscious Pear and Summer Crisp Pear. The featured tree for this year is the Northern Splendor Gum.

Prices range from \$30-\$50 per tree, depending on the variety. The sale is open until March 1, 2021. Trees will arrive potted or bagged and will be available to pick up on Friday, May 7, or Saturday, May 8, 2021 at Tiedt Nursery. All proceeds for the tree sale go towards scholarships and activities for W-SR Science Club students.

Order forms can be picked up at W-SR High School, Waverly City Hall Leisure Services office, or from W-SR Science Club students. Order forms are also accessible online at www.waverlyia.com/treesale, City of Waverly & Waverly Trees Forever Facebook pages, and www.wsr.k12.ia.us on the community flyers page. Send order forms and payment to W-SR High School, 1405 4th Ave SW, Waverly Iowa. Checks payable to "Waverly Trees Forever".

For more information contact Renee Borglum at 319-352-2087 or Waverly Leisure Services at 319-352-6263.

While City Hall remains open to the public, we strongly encourage customers to make appointments or communicate via telephone, email or postal mail as often as possible to minimize public interaction.

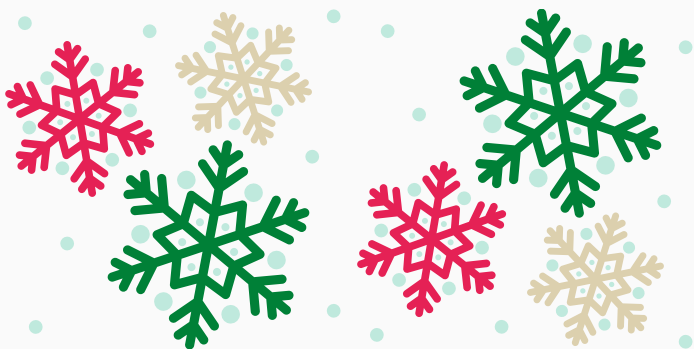

Civic Center Reservations: We are currently only allowing reservations for groups of 15 or less in the Civic Center and face masks are required.

Trail and Lot Snow Removal

When winter weather arrives, the Leisure Services staff gets busy moving snow throughout the City. We often receive questions as to what trails are cleared when snow falls. In the event of snowfall, all trails in town are cleared, except: Brookwood Park, and the trail South of Red Cedar Park along 8th St. SE. Additionally, the Rail Trail from the trail head behind Kwik Star East traveling East on the trail to Hwy. 63 at the 7 mile mark. These portions of the trail are not cleared to promote winter activities such as cross country skiing, snow shoeing, fat tire biking and more.

Please also keep in mind there are many areas that need attention when it snows. It takes our staff time to get to every location on their list. We do our best to have areas cleared as efficiently as possible so they can be enjoyed all year round.

Sledding Hill

A great way to get outdoors and enjoy the beauty of winter, along with some fresh air, is to take the family sledding. When there is a good accumulation of snow, we open the sledding hill at the Waverly Municipal Golf Course, hole 1. Please watch for open or closed signs at the hill. If the hill is open, feel free to enjoy some good family fun.

MEET *Chris Miller*

The Leisure Services staff is always willing to go above and beyond to make sure their jobs are done well. They take pride in their work to make Waverly a great place to enjoy life!

Chris Miller is a guy that isn't afraid to work hard and tackle almost any project.

Chris has been employed by the City of Waverly since 2003. He began as a seasonal golf employee, then full-time as a Solid Waste Operator, and now Golf Course Grounds Maintenance Specialist.

He and his wife Jen live in Clarksville with their two young children. When he's not at the golf course, he can be found enjoying all things outdoors with his family. He particularly loves summer weather, camping, boating, relaxing by the pool, or even getting in a round of golf.

The thing Chris enjoys most about his job is the opportunity to work outdoors and interact with the golfers that play the beautiful City course. He looks forward to continuing to grow the course while making improvements to keep the course challenging, while also a fun playability for golfers of any level. It's easy to see that the Golf Course is one of Chris's favorite places in Waverly.

While, he'll be spending the winter months inside tuning up the mowers and equipment for the next golf season, he's always up for a visit at the Turf Shop or out on the course to talk golf or anything else. Don't be afraid to stop and say hello.
