

Leisure Services Department Monthly Minute FEBRUARY 2023

If you find yourself venturing out on City Streets with your golf cart, it is probably in your best interest to make sure you are up to date with the recent revisions to the City Ordinance.

Here are a couple of reminders, but for a full copy of the City Ordinance, check out the QR Code below or visit the City's Website:

- Any person operating a golf cart must be 16 years old.
- The number of riders on a golf cart shall not exceed the number of occupants for which the golf cart is designed.
- A golf cart is not allowed to operate on public sidewalks, bike paths, multi-purpose trails, or upon public green spaces such as parks except under conditions under a special event.
- A golf cart must have a slow moving sign attached.
- Hours of operation are sunrise to sunset, regardless of lights.
- Golf carts shall be driven as close as practical to the right-hand edge of any street, except when executing a left-hand turn.

bad days
don't stay
bad forever

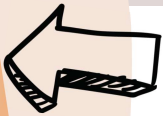

Did you know that spending just 20-30 minutes outside every day can reduce the amount of stress and muscle tension you may be experiencing? In addition, being outside can lift your mood and decrease your feelings of anxiety or depression. This time of year is the perfect time to get out and do some pruning! Check out this video by the Iowa State University Extension and Outreach for pruning tips.

Don't Forget
