

LEISURE SERVICES MONTHLY MINUTE - MAY 2021

thank you!

We would like to thank everyone that registered and participated in the Set the Pace Challenge and Walk for Waverly. Although we didn't win the grand prize, we are grateful for this opportunity to come together as a community and to get out and enjoy the trails in Waverly. We look forward to trying again next year!

Thank you to the volunteers who helped clean up our Parks in honor of Earth Day 2021.

Volunteers from the Waverly Rotary Club, CUNA Mutual, Girl Scouts, as well as individuals and families spent time cleaning parks and areas of the riverbank. Not only was this an excellent way to honor Earth Day, it is also helpful to our staff and allows them to focus on other important projects. We thank these groups for their volunteer spirit and efforts to keep Waverly beautiful.

WAVERLY HAS AMAZING TRAILS...GET OUT AND RIDE!

MEET BEN NICHOLS

Originally from Aledo, IL., Ben Nichols, currently a senior at Wartburg College, majoring in Business with a concentration in Finance is planning on returning for a 5th year to get an Environmental Studies Minor since finding a passion working on the Golf Course this year. Ben has been a seasonal employee with the City of Waverly for 3 1/2 years; he spent 3 years in the Public Works Department before joining the staff at the Golf Course. He played football at Wartburg for 3 years. He started playing golf last summer and has fallen in love with the game. Along with that, he enjoys working out and being in nature. A special interest he has is entrepreneurship and helping others grow their interests into businesses of their own.

Ben shared that he has learned so many things during his time with the City such as hard work, communication skills, how the City is run, & how to back up a trailer (kind of) to name a few. He looks forward to learning even more. He has met some of his best friends through the City of Waverly and people that he truly admires. Everyone has been so welcoming and helpful, and he is grateful for his work friends. Not only for all they have taught him, but especially for their friendship.

Ben's favorite place to be in Waverly is of course the Golf Course, where he can be found working on his golf game when he is off the clock. The Waverly Golf Course is thankful for seasonals like Ben and his hard work!

The Farmers Market is located at South Riverside Park (319 1st St. SW).
