FALL TREE REPLACEMENT PROGRAM

Waverly Trees Forever is sponsoring the annual tree replacement program for Waverly area residents. Restoring Waverly's tree canopy!

Any Waverly Utilities Customer may take advantage of the program if their property has had a tree removed due to storm damage, insects, or disease.

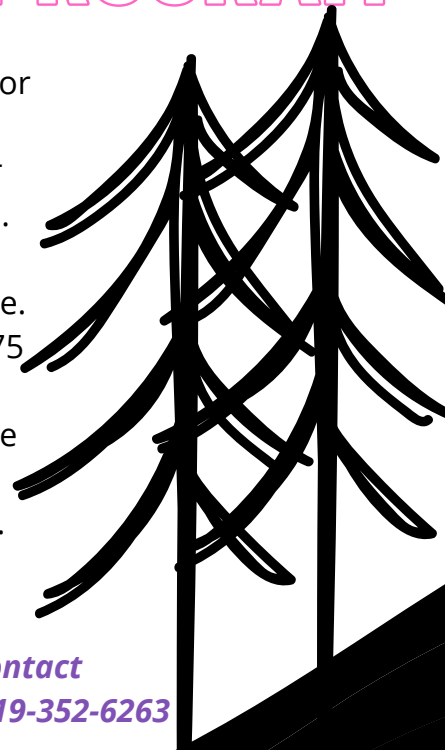

Trees may be purchased by the public at Tiedt Nursery and Wells Hollow Landscaping. The program is a 50% rebate up to \$75 off the cost of each tree. For example: a \$100 tree would get a \$50 rebate, a \$150 tree would get a \$75 rebate, and a \$250 tree would get a \$75 rebate.

Limit of 30 trees rebated. Only two trees per address. The rebate will not be permitted for Maple Trees. Check with local vendors for a list of available replacement species. The choices will be limited by their current inventory.

The dates of the program are September 12-November 5.

There will be no sales after Saturday, November 5, 2021.

Meet Cole Staudt, the newest member of the Waverly Leisure Services Staff. Cole was hired in May as the Cemetery Maintenance Specialist to oversee the day to day operations at Harlington Cemetery. Cole came to this position after completing an internship with the Parks Department in 2021. He holds a Landscaping and Turf Management degree from Hawkeye Community College.

He and his wife Nicole live in Denver and are looking forward to welcoming their first child in February. Cole enjoys golfing, hunting, camping and vacationing with his family. He is also a passionate member of his local fire department.

He is looking forward to providing the citizens of Waverly with a beautiful and peaceful cemetery.

Cole's favorite places in Waverly are the Other Place and the golf course.

He is looking forward to playing the new Disc Golf Course as well.

We are excited to have Cole on our team in Leisure Services and look forward to what he will bring to his position in the Cemetery.
