

DECEMBER 2020

## "THE GRINCH" DRIVE-IN MOVIE

Friday, December 4 at 6:30 PM  
W-SR Middle School Parking Lot

We are teaming up with the Waverly Chamber of Commerce to offer a holiday drive-in movie, this time featuring "The Grinch" (2018)! We'd like to thank Hubbard Financial Group for sponsoring our event. Bring your blankets and favorite snacks for a night of family fun. The parking lot will open at 5:30 PM. Restrooms will be available for emergencies only.

## HOLIDAY LIGHT HUNT

Thursdays in December from 5-7 PM

Every Thursday in December, Y99.3 plays holiday music from 5-7 PM for a "Holiday Joy Ride"! We've teamed up with KWAY to offer a Holiday Light Scavenger Hunt that families can use as they drive around, listening to the sounds of the season and trying to find as many types of light displays as they can. Download the scavenger hunt sheet from our website on the "Events & Programs" page, under "For Children."

## 12 DAYS OF READING

Pick up for preregistered children happening now  
Beanstack challenge open December 1-31

Library elves have been working hard over the last few weeks to select, check out, and wrap over 1,500 children's books as part of our "12 Days of Reading" program! If you signed your children up before the November deadline, your books are ready to be picked up at the library any time, Monday-Saturday, 9 AM-4 PM. The Beanstack challenge is still open to anyone who would like to complete the fun holiday activities listed there. We will not be distributing any more wrapped books, but feel free to send us a message requesting 12 library books that you can wrap up at home.

## HIGHLIGHT: FRIENDS OF THE WAVERLY PUBLIC LIBRARY

The Friends of the Waverly Public Library provide invaluable financial and volunteer support to the library. The Friends raise funds through two main channels, the used book sale room in the library and donations from members of the community. A donation of time or money goes directly toward helping the library succeed in its mission to be "Your window to information, recreation, and community."

With the WPL building closed for the safety of all, sales in the Friends book room are extremely low, relying primarily on virtual sales to get books out to the public. With this loss in income, support from community members like you is more important than ever. Consider becoming a Friends member with a yearly donation, shopping virtual book sales, or even calling the library to check if certain books or genres are available in the sale room. Staff are available to check the room for you, and books can be picked up and paid for in the drive-up window.

**Joining today or renewing your Friends membership provides invaluable support for programs and initiatives like these and many more:**

DIY crafting nights for teens and adults

Next Chapter, a book club for adults with disabilities

All ages puzzle competitions

Summer reading prizes & programs
