

AUGUST 2021

THANK YOU FOR A WONDERFUL SUMMER PROGRAM!

We'd like to thank everyone who joined us for a program, participated online, or offered kind words throughout the season. Our special thanks go out to Friends of the Waverly Public Library for their constant support, without which none of this would be possible. To learn more about the Friends organization and how you can make education and entertainment possible for all ages at the library, visit www.waverlyia.com/library/friends.

FRIENDS OF THE WAVERLY PUBLIC LIBRARY

It's getting close - back to school time! This fall Friends of the Library will again support the Waverly Public Library's donation of a book to every student entering kindergarten. And we're hoping to resume providing transportation for students from their schools to the library. This is all made possible by people like you who support Friends with book and material donations and monetary contributions. Thanks to all of you!
