

JULY 2021

SUMMER 2021 IS OFF TO A GREAT START!

Thank you to everyone who has joined us for a program so far! We have had a blast celebrating all things summer, learning, and reading with you. We are only halfway done with our Summer 2021 programs, so there is still lots more fun to be had. Take a look at the newsletter calendar to see what's coming up, and we hope we'll see you for a program soon.

BEANSTACK ONLINE CHALLENGES

In-person programs aren't the only way to spend summer with your library. You can also log your reading minutes and complete activities to earn badges through Beanstack, our online summer challenge site, and earn chances to win great prizes for each badge you complete. Get started by heading to waverlyia.beanstack.org and logging in with last summer's login information or starting a new account. You can also stop by the library to pick up a paper copy of the challenge if you'd prefer to participate offline.

FRIENDS OF THE WAVERLY PUBLIC LIBRARY

If you love exploring the library gardens and supporting the Friends of the WPL, you'll enjoy this fun, new way to do both! There is a new fish feeder located under the northwest patio, and \$0.25 gets you a handful of fish food that you can bring down to the pond to feed the koi. All proceeds benefit the Friends of the Library and their initiatives such as sponsoring summer programs, providing a book for every new baby born at the Waverly Health Center, purchasing BBC and PBS TV series for the library collection, and much more. Thank you for your support!

NEW SELF-SERVICE OPTIONS

In the last year, we have added several self-service options around the library. There are now two self-checkout stations available. One is near the front desk, and one is in the youth area. The public computers can now be logged onto by scanning your library card or a guest pass, and a new print release station helps keep documents private and organized. You will still find

friendly librarians at the service desks who are happy to assist and check out your items, but these are added options for those who prefer it!

HOLIDAY CLOSURE

The WPL building will be closed on Monday, July 5 in observance of the July 4th holiday. Don't forget that our online resources, including our large collection of digital books and audiobooks through Libby, is available 24/7.
