FRIENDS OF THE LIBRARY

Holidays are over and now winter looms. Many winter days find us staying inside trying to entertain ourselves. How about trying some new crafting? The Friends of the Library book room has a large selection of hobby and craft books. There are books on quilting, knitting, crocheting and needlepoint. But how about trying bargello? What about silk ribbon embroidery, glass painting, wire work or metal embossing? We even have books on polymer clay. How about learning how to make your own picture frames? And if you cannot decide what to try, there are Best Ever Craft Project books. Stop in and check them out. Hard covers are \$1.00 and soft covers are \$.50. All the funds go to support the library.
