(3) Seeking a civil penalty as authorized in this section does not preclude the city from seeking alternative relief from the court in the same action. Such alternative relief may include, but is not limited to abatement or injunctive relief.

23.03 CIVIL CITATIONS. Civil citations shall be used to charge municipal infractions and shall be administered as follows:

(1) A City employee or a City Official authorized by the City Council to enforce the Code or regulations may issue a civil citation to a person who commits a municipal infraction.

(2) The citation may be served by personal service as provided in rule of civil procedure 1.305, by certified mail addressed to the person at their last known mailing address return receipt requested, or by publication in the manner provided by rule of civil procedure 1.310 and subject to the conditions of rule of civil procedure 1.311.

(3) A copy of the citation shall be retained by the issuing officer, and the original shall be filed with the clerk of the district court and one copy shall be delivered to the defendant.

(4) The citation shall serve as notification of an allegation that a municipal infraction has been committed and shall contain the following information:

- (i) The name and address of the defendant.
- (ii) The name or description of the alleged infraction, attested to by the officer issuing the citation.
- (iii) The location and time of the alleged infraction.
- (iv) The amount of civil penalty for the violation charged and the court costs, or the alternative relief sought, or both.
- (v) The manner, location and time in which the penalty may be paid.
- (vi) The time and place of court appearance.
- (vii) The penalty for failure to appear in court.
- (viii) The legal description of the affected real property, if applicable.

(5) Upon receiving a citation under subsection (4) that affects real property and that charges a violation relating to the condition of the property, including a building code violation, a local housing regulation violation, a housing code violation, or a public health or safety violation, the clerk of court shall index the citation pursuant to Section 617.10 of the Iowa Code, if the legal description of the affected property is included in or attached to the citation. After filing the citation with the clerk of the district court, the city shall also file the citation in the office of the county treasurer. The county treasurer shall include a notation of the pendency of the action in the county system, as defined in Section 445.1 of the Iowa Code, until the judgment of the court is satisfied or until the action is dismissed. Pursuant to Section 446.7 of the Iowa Code, an affected property that is subject to a pending action shall not be offered for sale by the county treasurer at tax sale.

(6) A person against whom judgment is entered, shall pay court costs and fees as in small claims court under Chapter 631 of the Iowa Code. If the action is dismissed, the city is liable for the court costs and court fees, unless the person charged agrees to pay those costs and fees in lieu of further prosecution. Where the action is disposed of without payment, or provision for assessment, of court costs, the clerk shall enter judgment for costs against the city.

(7) When judgment has been entered against a defendant, the court may do any of the following:

- (i) Impose a civil penalty by entry of a personal judgment against the Defendant.
- (ii) Direct that payment of the civil penalty be suspended or deferred under conditions imposed by the court.
- (iii) Grant appropriate alternative relief ordering the defendant to abate or cease the violation.
- (iv) Authorize the city to abate or correct the violation.

(v) Order that the city's costs for abatement or correction of the violation be entered as a personal judgment against the defendant or assessed against the property where the violation occurred, or both.

If a defendant willfully violates the terms of an order imposed by the court, the failure is contempt.

23.04 CRIMINAL PENALTIES. This chapter does not preclude a peace officer from issuing a criminal citation for a violation of this Code of Ordinances or regulation if criminal penalties are also provided for the violation. Nor does it preclude or limit the authority of the City to enforce the provisions of this Code of Ordinances by criminal sanctions or other lawful means.
