105.11.07 Vehicle Owners Obligations Concerning an Automated Traffic Citation.

Within thirty (30) days from the date appearing at the top of a notice of Automated Traffic Citation sent to the Vehicle Owner, the Vehicle Owner shall either pay the fee associated with the citation or challenge the citation, in accordance with Section 105.11.08.

105.11.08 Contesting an Automated Traffic Citation.

A vehicle owner may contest an Automated Traffic Citation as follows:

1. Within thirty (30) days from the date appearing at the top of a notice of Automated Traffic Citation sent to the Vehicle Owner, the Vehicle Owner may either pay the fee associated with the citation or challenge the citation by submitting a written challenge to the citation. Any such written challenge or request must be on a form specified by and available from the City as indicated on the notice, and be sent to the City according to the instructions on that form. Upon receipt of a written challenge, a Waverly Police Officer shall determine whether the citation should be rescinded. Within thirty (30) days after the City receives such a challenge, the City shall notify the Vehicle Owner whether the challenge to the Automated Traffic Citation is successful, in which case, the citation shall be rescinded. Otherwise, the citation will stand. Thereafter, the City may seek voluntary payment and/or file the citation as a municipal infraction against the vehicle owner, in accordance with Section 105.11.09.
2. Within thirty (30) days from the date appearing at the top of a notice of Automated Traffic Citation, the Vehicle Owner may request a municipal infraction be filed pursuant to Iowa Code §364.22 in lieu of the options of payment and/or challenge listed in 105.11.08(1) above or after an unsuccessful challenge. Such a request

must be filed prior to the due date of the initial fine or date set by the member of the Waverly Police Department following the written challenge detailed above in Subsection 105.11.08(1). Such a request will result in a court order requiring the Vehicle Owner to file an answer and appearance with the Clerk of Court, as well as setting the matter for trial before a judge or magistrate. If the Court finds the Vehicle Owner guilty of the municipal infraction, mandated court costs will be added to the amount of the fine imposed by this ordinance.

105.11.09 Failure to Timely Pay or Challenge Automated Traffic Citation.

If the recipient of an Automated Traffic Citation does not either pay the fine by the due date on the original citation or successfully challenge the citation as provided herein, the City may file a municipal infraction against the Vehicle Owner in accordance with Waverly Code of Ordinances Chapter 23 and Section 364.22 of the Code of Iowa, seeking judgement for the applicable civil fine provided in Subsections 105.11.06(2) and 105.11.06(3) plus applicable state mandated filing fee and court costs. If judgement is entered for the City in the municipal infraction proceeding, the City may, subject to applicable law, pursue enforcement of the judgement together with interest as permitted by law. Collection of that judgement may include referral to the State of Iowa Income Offset Program administered by the Department of Administrative Services, State Accounting Enterprise.

Notwithstanding the City's right to file a municipal infraction, the City may first seek voluntary payment of the fine by sending a written request for payment to the Vehicle Owner and/or referring the matter to a private service agent to conduct collection in accordance with all applicable law.
