

Moving Permit Requirements

Pre-Planning – To obtain a building permit for moving a wide load on city streets, you must be licensed and meet the requirements of the permit issuance. Additional moving permits are required for use of State and County Roads. Other permits and costs may also be applicable for disconnection of services from local utilities (water, sewer, electric) and franchise servers (gas, phone, cable, fiber optics). For further information, you may stop in or call the Zoning Department at 352-9208

| General | Requirements Check List: |
| | The contractor shall post with the City Clerk a penal bond in the sum of twenty thousand (\$20,000). The bond shall |
| | guarantee the licensee's payment for any damage done to the City or to public property in the course of moving the |
| | building or similar structure. |
| | The contractor shall also be insured in the amount of ten thousand dollars (\$10,000) against liability for the moving |
| | operation that results in personal injury, property damage, or both. A bond for the same sum of money may be used |
| | in lieu of the insurance policy. |
| | Obtain a Permit from the Zoning Department at Waverly City Hall. Permit is valid for three days. |
| Steps to | Obtain Permit (must submit all to receive permit): |
| | Submit a route map to the Waverly Public Works Engineer (319-352-9065) for approval. |
| | First: Submit one copy signed by the Public Works Department for permit issuance to the Zoning Department. |
| | Submit a route map to the Waverly Chief of Police for approval (319-352-5400). |
| | Second: Submit one copy signed by the Police Department for permit issuance to the Zoning Department. |
| | Submit a route map to the Distribution Planner of Waverly Utilities (319-559-2000) for approval. |
| | <i>Third</i> : Submit one copy signed by Waverly Utilities for permit issuance to the Zoning Department. Anticipated costs |
| _ | associated with the moving of infrastructure shall be determined and paid prior to actual work. |
| | If required, Copies of Permits for State and County roads are required to be submitted before a permit can be |
| _ | approved. |
| | It shall be the contractor's responsibility to identify all providers of services that the intended moving may affect. |
| | Submit your route on signed (by 3 required departments) map, State and County permits (if applicable), |
| | documentation and Moving Permit Application with the appropriate fee to the Zoning Department. |
| | \$20 for Each Structure |
| | Documentation of Service Shut-off and/or capping is required to be submitted to the Zoning Department before |
| | permit can be granted. Documentation can be obtained through the Public Works Department. |
| 11 | A moving permit will be issued by the Zoning Department prior to the move. |

<u>Inspections/Questions:</u> As a licensed contractor you shall be responsible for flagging at all intersections and maintaining adequate warning to all sides of traffic. Permits (if applicable) for disconnection of services such as capping of building sewer and disconnection of city water shall also be issued at the time of issuance of the Permit for Moving. Any structural removal such as basement walls requires a Demolition Permit. See Demolition Requirements (which may be obtained from the Zoning Department) for more information. Inspections are required prior to concealment.

For further information, you may stop in or call the Zoning Department at 352-9208.
