LEISURE SERVICES

Our community came together on September 11 on United Way's Day of Caring, to help beautify areas throughout town.

We are extremely grateful for these volunteers who worked hard at Kiwanis Fields painting, at North Ridge Elementary planting trees and shrubs and for updating City flower boxes with the Waverly Chamber.

A special thanks goes out to volunteers from Farmer's State Bank, W-SR middle schoolers, Diamond Vogel and Paint Iowa Beautiful for paint donations, and Waverly-Shell Rock Area United Way! Thank you, again, for your commitment to help make Waverly the best it can be!

Candlelight Walk November 2

The annual Candlelight Walk Event will take place Saturday, November 2, from 5:00 to 7:00 p.m. on the Waverly Rail Trail. Enjoy a FREE, one-mile candlelit stroll on the trail beginning at the trail head shelter behind Kwik Star East in Waverly, near 412 1st Ave SE.

If you'd like, dress in your favorite **HALLOWEEN COSTUME** for the occasion; this is a great family and dog friendly event.

Trail volunteers will place over 1500 luminaries this year to light the way for walking. Complimentary hot cocoa provided by Nestle Beverage will be at the turn around near the bonfire.

Parking for the event will be available at Kwik Star, in the City lot east of Kwik Star, the Parks Maintenance Building, near the Rail Trail shelter, and the lot between Sub City and the Law Center. Volunteers will meet at the trail head shelter to place the luminaries at 4:00 pm on Saturday and will pick up after the event.

In the event of inclement weather, the decision to cancel will be made at 3:30 pm.

There is no rain date.

COMMUNITY GARDEN CLEAN UP

We hope all gardeners had a bountiful and successful growing year. Community Gardens need to be cleaned up by November 1, and keys need to be turned in by December 1, 2024 to obtain a returned deposit.

WAVERLY GOLF COURSE

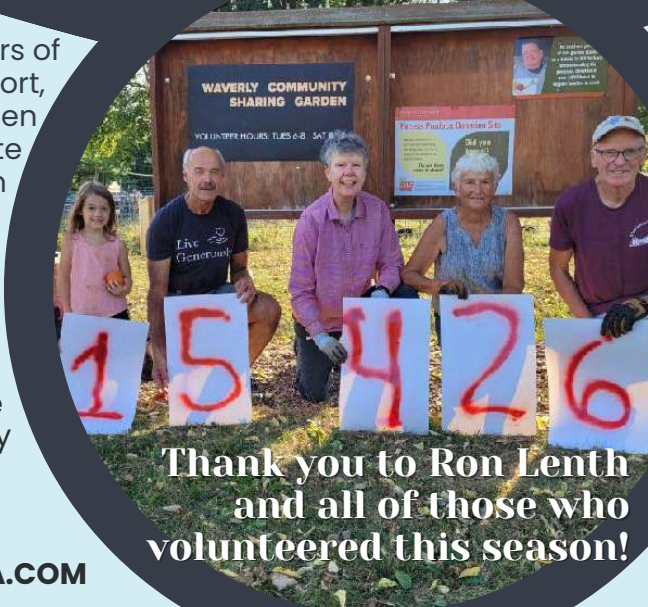

Golf maintenance staff has been working hard all year to provide the best golf experience. In between daily maintenance, staff has updated 3 of the 6 bridges throughout the course with a fresh coat of stain. They hope to have the remaining bridges updated in the near future as weather allows.

COMMUNITY SHARING GARDENS

After countless hours of volunteering and support, the Community Sharing Garden was able to grow and donate a RECORD of 15,426 lbs of fresh and healthy produce to local food-insecure families.

**Thank you to Ron Lenth
and all of those who
volunteered this season!**
